HOW TO USE (delete this box): Replace everything in [square brackets] and delete anything you don't need. To swap a picture or QR code, right-click it and choose Change Picture. Keep it to one or two pages, then save as PDF to send. Creative layouts are great for people, but some online application systems (ATS) read plain layouts more reliably, so keep a plain version too (Template 01 Classic works well).

[TARGET JOB TITLE, E.G. COMMUNITY MANAGER] · [TOWN/CITY, COUNTRY]

[Your Name]

[Town/City, Country] · [Phone] · [Email] · [yourwebsite or artstation.com/yourname] · [linkedin.com/in/yourname]
